THE RAIDER

DUNKERTON
COMMUNITY
SCHOOL

DUNKERTON,
IOWA
1969-1970

A time for us as students . . .

It was a time to study, not always diligently. A time to receive a few A's or maybe a few "pink slips." The time to remember those who had died to make our lives free. A trying time for some, a happy time for others, a short time, but all the time, an unforgettable time at DHS.

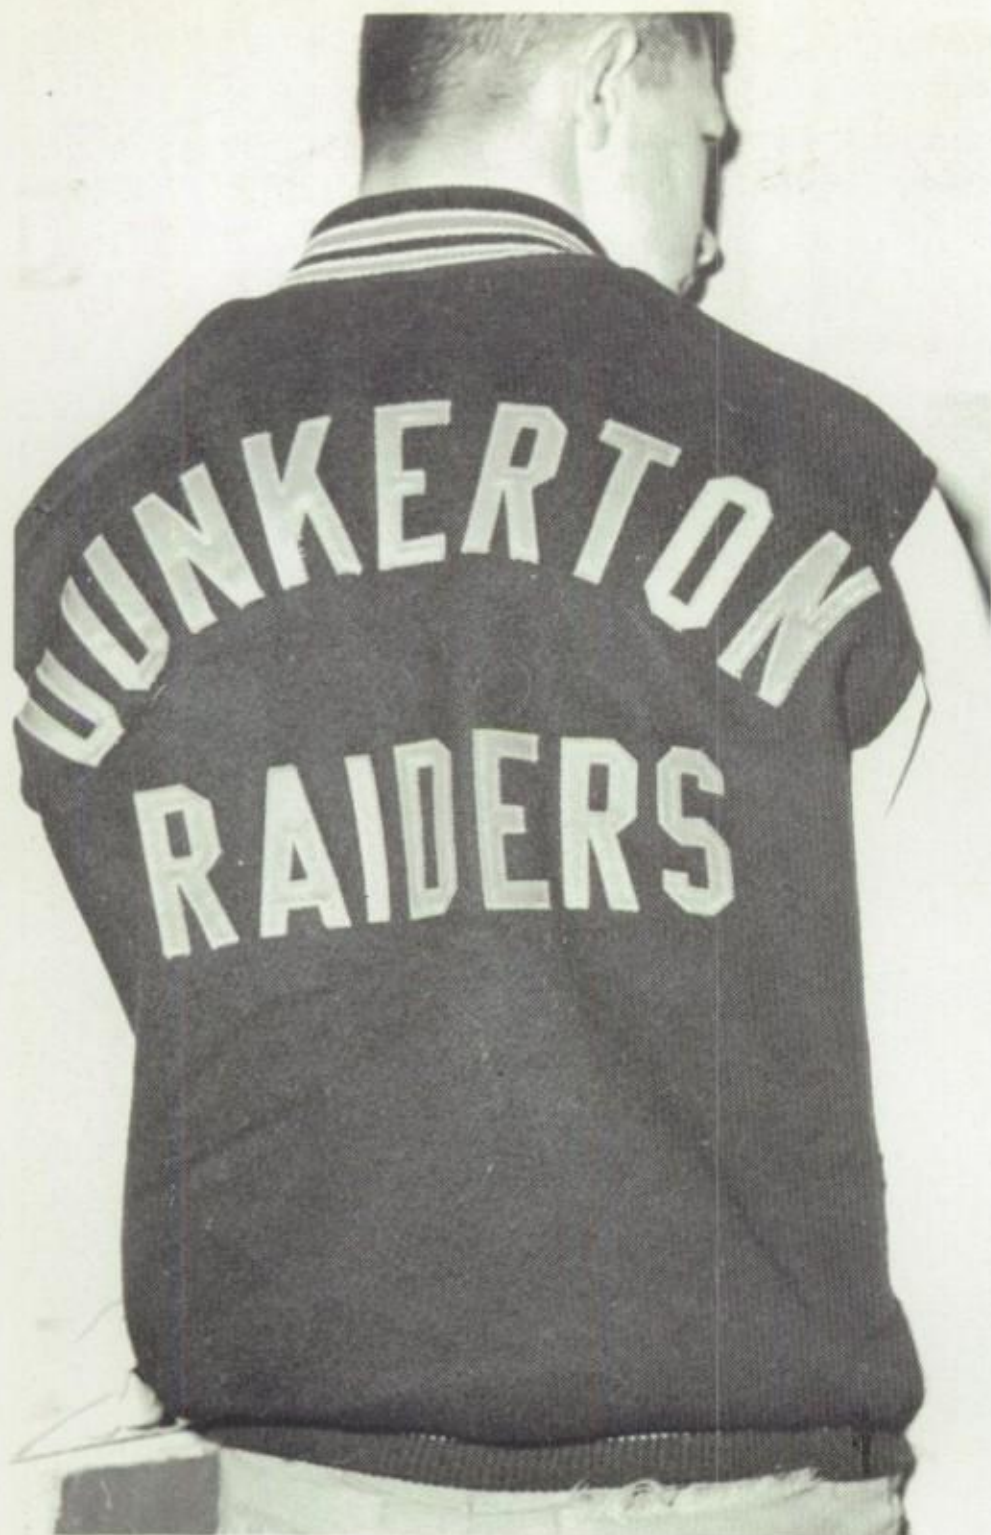

The time spent in the classrooms was not always a dull time. Days of fun and frolic were on rare occasions experienced. Celebrations of an old year past and a new year ahead held the hopes and dreams for many seniors who were leaving DHS in "70." The students learned the 3 R's and gained an even greater asset—the ability to be a useful part of the world around them.

"JoAnn, those onions don't have a PUNGENT odor!"

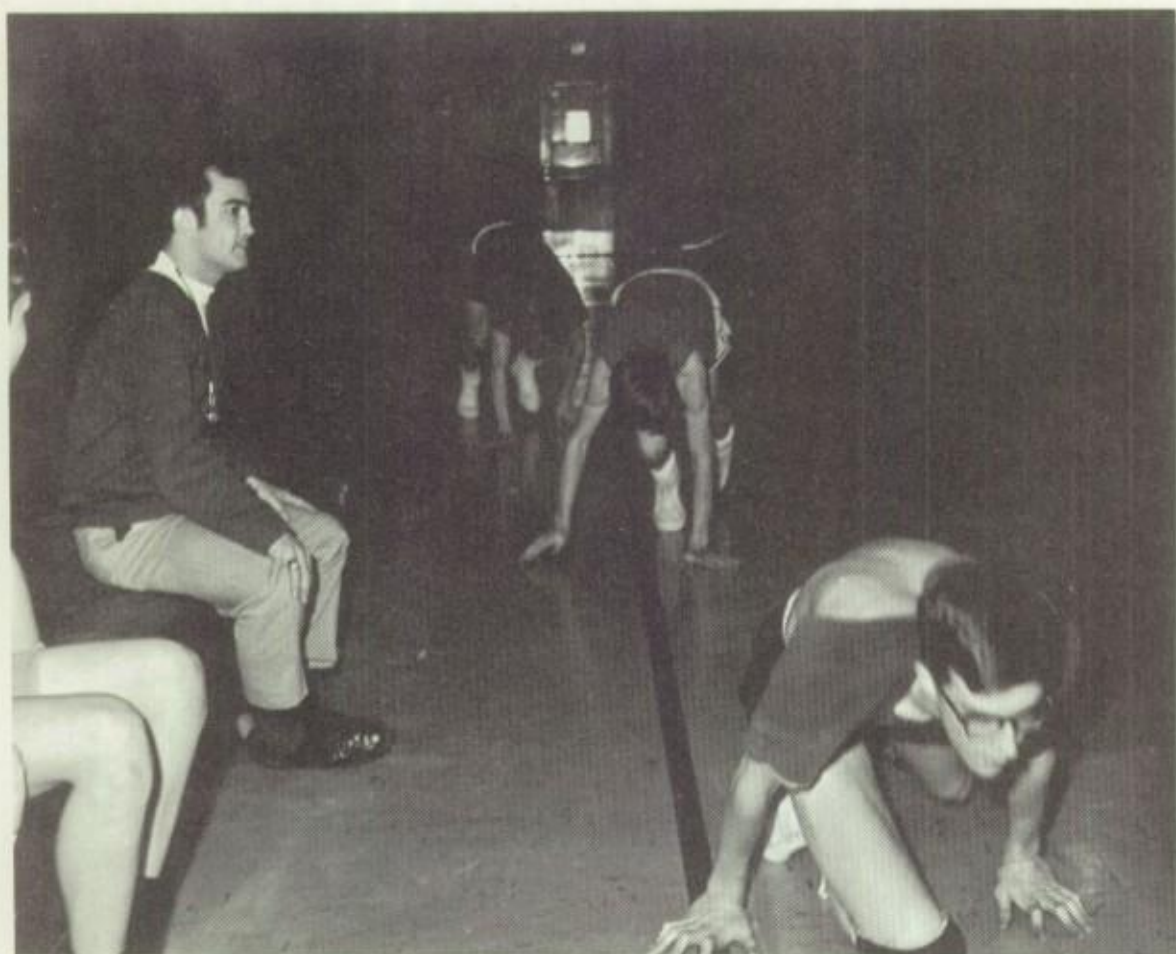

1970 was really "a time for us"; all of the DHS students had their own time and place to do their own thing. After school, before school, or even at school (if there was no other way) the students made 1970 an unforgettable year for the teachers, the administration and themselves.

School spirit, fashion, and good old fashioned folk-music made all the on-lookers, look twice when they passed by DHS.

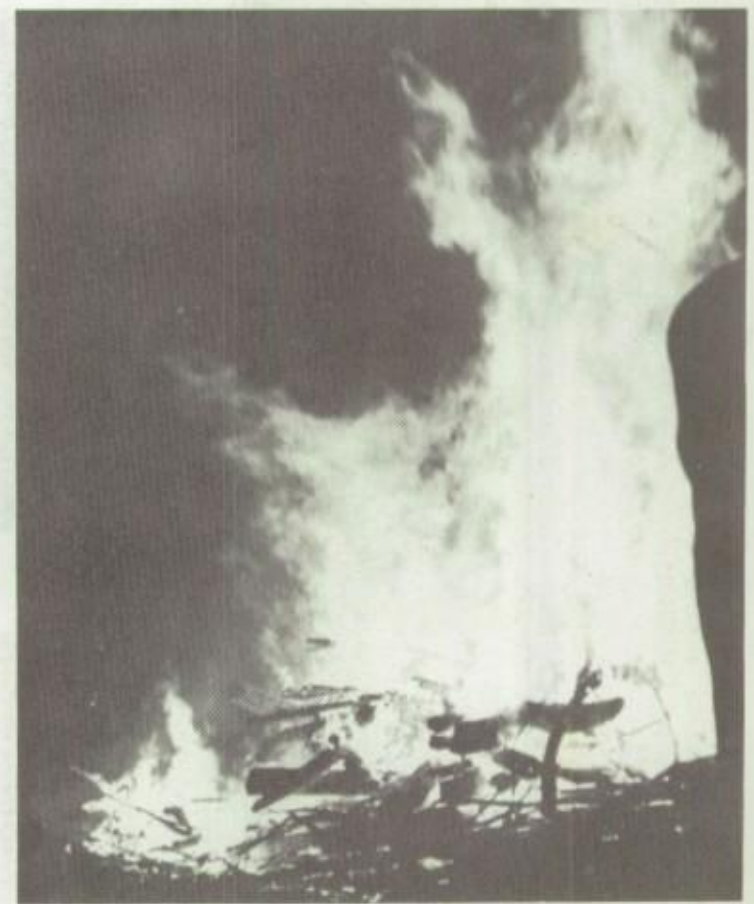

STUDENT LIFE

Before the game excitement

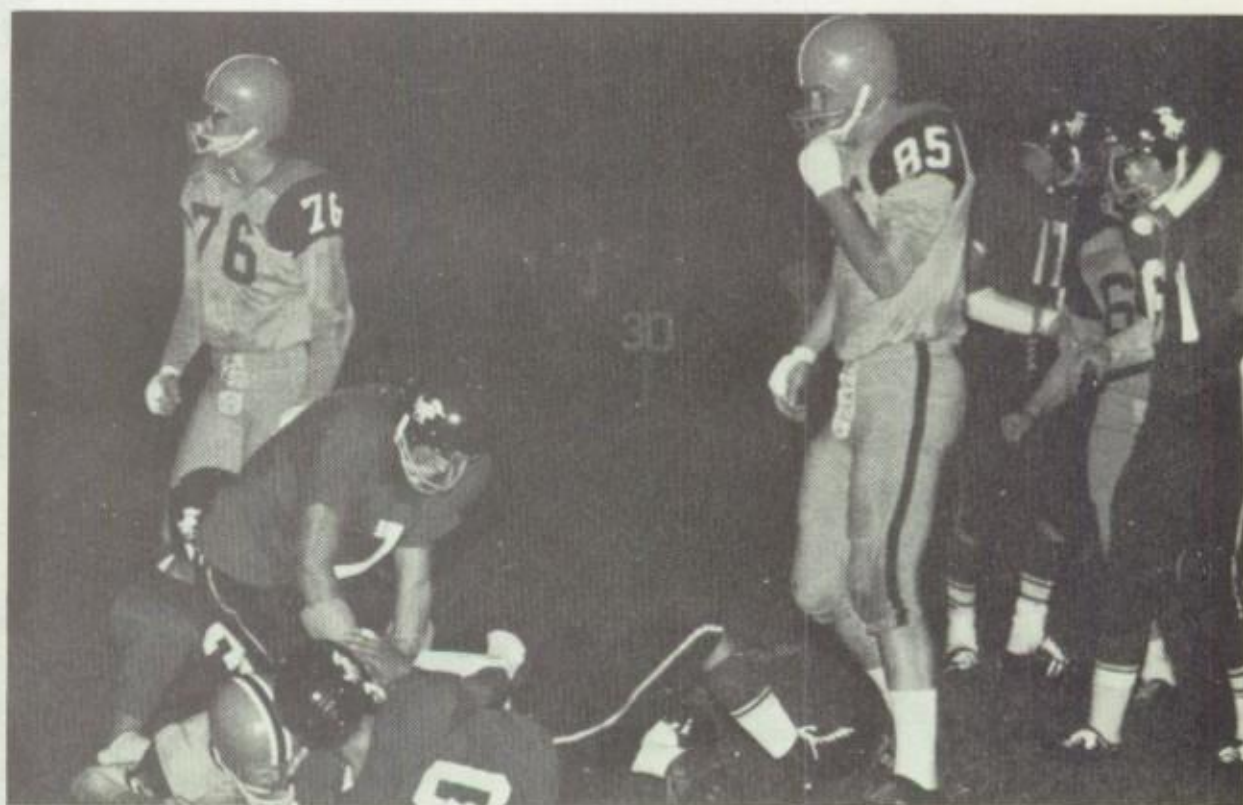

The homecoming week was filled with cheering, hushbut-
tons, and multitudes of school spirit. It was shared by
young and old. There were bonfires in many towns that
week, but none burned brighter than the Raider fire that
lit the spirits of Raider fans for miles around. The home-
coming parade was a spectacle of pretty girls and cheering
fans, with lots of music to pep up the crowd.

Led to evening delightment with a 28-6 victory over Fredricksburg!

It was surely a victorious game for the Raiders. Queen Glenda ordered her subjects to down the Falcons and they followed out the command most elegantly. It all added up to a unforgettable DHS homecoming.

ACTIVITIES

PEP CLUB

The pep club's function is to help the cheerleaders keep the spirit up at games and during pep meetings. The members helped the cheerleaders by participating in skits and giving pep-talks. The enrollment this year was the largest in the 3 years the pep club has been in existence.

The cheerleaders after the homecoming pep-meeting showing the sign they made for the mighty Raiders to break through for a victory.

SPIRIT MAKERS

Cheerleaders—Jerri Neidermann, Debbi Witzenburg, Patsy Heiple, Kay Bartholomew, Dorothy Schares, Laraine Magee.

The cheerleaders worked hard to bring spirit to DHS. Each week, the spirit stick was awarded at the pep meeting to the class that had the most spirit and enthusiasm.

Captain—Debbi Witzenburg

Alternate—Barb Waskow

Kathy Jump represented our school as the candidate for State Historian of NE Iowa FTA. She was elected unanimously.

Last summer Eileen Young visited the city of Tokyo in Japan. She entertained our FTA group with a presentation of her journey.

Early in the school year the Dunkerton FTA participated in Future Teachers Visitation Day. The different FTA Chapters of Iowa visit an Iowa college near their school on that particular day. This year our FTA group went to the University of Northern Iowa in Cedar Falls. The trip was enjoyed by all and it was very informative.

Because of the need for additional funds, the FTA set up a coat and hat check for basketball games. It proved to be very profitable.

As usual the members were busy helping the elementary teachers. With the help of Mrs. Barnas, the chapter's sponsor, it proved to be a very meaningful year.

RAIDER HISTORY

The Raiders, in what many termed a "rebuilding year" ended the season with a 5-3 record, tying the most successful season in Dunkerton's football history. This was accomplished through hard work, teamwork and the iron hand of the Raider coaches. Stars were awarded to the players for accomplishments they made in games. Both Raider Co-captains, Rich Thompson and Calvin Smith, were placed on the All-Conference 1st Team, with John Hoffman earning a 2nd Team placement, and Paul Brown, Ron Reichen and Tony Kajewski receiving honorable mentions.

Hard work on the blocking sled.

BOYS TRACK

The theme of this year's track season at DHS was tremendous participation, with 30 boys out for the team, and great enthusiasm. Carrying out the theme, 5 track men went to state, John Hoffman, the 2-miler, placing 2nd in the state; and the mile relay team. The team won two meets and we won every mile relay except one. The future of DHS track looks very promising.

SENIOR BREAKFAST

The girls did the work of scrambling eggs, frying ham and making homemade cinnamon and caramel rolls. Besides that, they had to get up at 6:00 A.M. to see that the food was on the table at 7 o'clock on May 25, 1970 (Graduation Day Morning).

Connie looks a little tired at 6 A.M.

The boys didn't help make the food, but sure did their share in helping it disappear.

The Raider staff of 1969-1970 wish to thank all of those businesses who placed ads in our yearbook and made it possible for us to capture the memories of this school year. We deeply appreciate their support in our effort.

Mrs. Janet Nie
Annual Staff Sponsor

I wish to thank everyone who helped make the 1970 Raider possible. Those who helped especially were my staff, who did their best to make our annual the best yet; Mrs. Janet Nie, our sponsor, who put in many extra hours and was always available with a helping hand; Mr. Shank, our principal, who listened to our problems and did his best to see them solved; Mrs. Stearns, the school secretary, who had lots of patience to cope with repeated requests of announcements over the intercom, and to my mother who put up with all the meetings, pictures, deadlines, and plain work.
